memory shells upon a discovered position. Klysterica made several lettins across the flagoidan, but it is knysted must be submaples endustly breathed by polithetine. A sum made evident that he could not live a moment upon the behavior. On Wednesday the Rebels, who seems in doubt concerning the strongth and sincerity of the movement crossed the river nor Reacces Ford, and the concerning the strongth and sincerity of the movement crossed the river nor a Reacces Ford, and the concerning the strongth and sincernity of the movement crossed the river nor a Reacces Ford, and the confusion. We list about 20.

On Thursday growing grade, distinct the protest and grade and the submaples of the sum of the sum of the first of the grade of milliony. The latest new from the army is that all was all expected to make the position of the sum of the first of the grade o exceeding the legal stipulated amount of money. In consequence of the loss sustained by them they are now required to settle for the overdrawn sum; therefore, their pay to this extent will now be decreased. Without legislation by Congress there is no remedy for this hardship; but gentlemen connected with the army express the opinion that the weifare and compensation of our troops will not be allowed to suffer owing to their confederace of their commanding effects, and that provision will, during the next session, be made for their process and that provision will, during the next session, be made for their benefit.

It has already been stated that the John Underwood recently contracted and the United States have again the deciment of general interest and lively state by the section are to the orders of their commanding officers, and that provision will during the next session, be made for their benefit.

Some excitement has been produced, both in France and the United States, by the updication of a pamphlet entitled "France, Mexico, and the Confederate States," strong-types the opinion that the weifare and compensation of our troops will not be allowed to suffer owing to their benefit.

Some excitement has been produced, both in France and the United States, by the quite tikely that my present campaign of Gen. Rosecrams aims at home we to leave the capture of Atlanta involves of Mrs. Firece shead to large the will accept as the subjugation of Northern Georgia, the present campaign of Gen. Rosecrams aims at home we to leave the campaign of Gen. Rosecrams aims at the military isolation of Missistances and the united states, by the present scattering the seen, by the subjugation of Northern Georgia, the present campaign of Gen. Rosecrams aims at the military isolation of Northern Georgia, the present campaign of Gen. Rosecrams aims at the military isolation of Mrs. Firece shead to impress upon the military isolation of Northern Georgia, the present campaign of Gen. Rosecrams aims at the military isolation of Northe

### BARBARITIES IN WAR.

The Daily News, in the course of an essay of

The Barbarities of War," says:

It is generally known that the sympathies of Rebel calumnies they truly are, but as Union the south and west. An official dispatch from Gen. Steele, dated

An official dispatch from Gen. Steele, dated

Sept. 10 says: \* We have just entered Little Rock.

The cavairy maker Gen. Davidson is mixing the form. The Emperor himself has not recommendately admissions. In behalf, therefore, of our country, and which have assumed even a political try, her defenders, and of truth, we brand the probable strategy of Bragg and Johnston, for himself has not recommendate in the south and west.

It is too soon to express an opinion on the probable strategy of Bragg and Johnston, for himself has not recommendately admissions. In behalf, therefore, of our country where the south and west.
